Fr Chris Riley's Youth Off The Streets

"Youth Off The Streets is a community organisation working for young people who are chronically homeless, drug dependent and recovering from abuse. Youth Off The Streets support these young people as they work to turn their lives around and overcome immense personal traumas such as neglect and physical, psychological and emotional abuse"

Both Damien Cooley from Cooley Auctions and his wife Peppi work with Youth Off The Streets to achieve the above goals. Your support is much needed and appreciated.
