

YOUth Making a Difference VALUES EDUCATION RESOURCE KIT

Youth Off The Streets, with support from the AMP Foundation and input from the Department of Education, Science and Training, has developed the **YOUth Making a Difference** resource kit - which contains 4 comprehensive units designed to support schools & youth groups to educate young people on the everyday issues they face.

Unit 1 – VALUES EDUCATION - 17 workshops/teaching modules covering: Generosity
 ◆ Honesty ◆ Reliability ◆ Co-operation and teamwork ◆ Leadership ◆
 Communication ◆ Citizenship ◆ Integrity ◆ Courage ◆ Empathy ◆ Justice & Fairness
 ◆ Equality and Tolerance ◆ Avoiding power struggles ◆ Identifying a conflict ◆
 Appreciation of diversity ◆ Responsibility ◆ Respect ◆ Fairness & Justice

Unit 2 – SERVICE LEARNING - 5 Workshops – based on 3 successful Youth Off The Streets Service Learning case studies including stimulus & project videos. Service Learning is an innovative values-based intervention program, which aims to teach young people generosity and empathy for others – putting values into action. Service Learning programs enable students to translate their everyday learning into meeting real community requirements by identifying local needs.

Unit 3 – INHALANTS - This resource contains valuable information on inhalants and has been designed so that schools, counsellors, and community groups can integrate information on inhalants into the most appropriate setting – depending on their students needs.

Unit 4 – GETREEL Drug & Alcohol Information Kit – This comprehensive teaching unit, comprising of 8 x 45 minute lessons is designed to make it easy to bring early intervention drug education to the classroom. Including the **GetReel Design a Drug Ad Competition**, students will develop a comprehensive knowledge about licit & illicit drugs.

3 Videos / DVD's are also included in the kit
